INSIDE INFORMATION PROFIT WARNING

This announcement is made by Ban Loong Holdings Limited (the “**Company**”, and together with its subsidiaries, collectively the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provision (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company and potential investors that based on the information currently available to the management of the Company and the preliminary review of the Group’s unaudited consolidated management accounts for the six months ended 30 September 2016 (the “**Management Accounts**”), the unaudited consolidated net loss after tax of the Group for the six months ended 30 September 2016 (“**1H2016**”) is expected to show an approximately 80% decrease as compared to the unaudited consolidated net loss of the Group for the corresponding period in 2015. The expected decrease in net loss after tax is mainly attributable to (a) the increase in the profit contribution from the Group’s money lending business during 1H2016; and (b) the 1H2016 results were no longer affected by the loss and amortization of intangible assets from the discontinued operations of the encryption technology products business which was already disposed of by the Group in March 2016.

As the Group's interim results for 1H2016 have not yet been finalised, the information contained in this announcement is only based on the information currently available and preliminary review on the Management Accounts, which have not been reviewed or audited by the auditors of the Company. As disclosed in the Company's announcement dated 14 November 2016, the interim results of the Group for 1H2016 are expected to be published after the holding of the meeting of the Board on 24 November 2016.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
